make the difference!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<h2>April 2017</h2>						<p>1 Plan to get some exercise with your child every day this month.</p>
<p>2 Use a permanent marker to mark off inches on the side of a jar. Set the jar outside. See how many inches of rain fall this week.</p>	<p>3 Make a crossword puzzle with your child to review spelling words.</p>	<p>4 Have your child rank homework assignments from easiest to hardest. Encourage her to do the hardest one first.</p>	<p>5 Have your child draw a picture of something that happened in school today. Then talk about it.</p>	<p>6 Write a note to your child to tell him you love him. Put it in a place where only he will find it.</p>	<p>7 Read three poems with your child today.</p>	<p>8 Have everyone in the family spend a half hour picking up the house. Many hands make light work.</p>
<p>9 Cook breakfast with your child for the rest of the family. Or invite friends over!</p>	<p>10 Watch the news with your child. Choose a person of the week and read more about that person.</p>	<p>11 Ask your child to name something she has done in her life that she is proud of.</p>	<p>12 With your child, learn how to count to 10 in at least three different languages.</p>	<p>13 Create a word search. Hide words in a grid and surround them with random letters. Let your child find the words.</p>	<p>14 Set aside time every day for reading aloud. Sometimes, let your child read to you.</p>	<p>15 Ask your child to help you organize something, such as a closet.</p>
<p>16 Have your child set a weekly goal. Write it down. Could you do this, too?</p>	<p>17 Watch the news with your child. Choose one story and compare it with an article on the same topic.</p>	<p>18 Give your child a small plant to take care of. Put him in charge of the watering schedule.</p>	<p>19 Ask your child to teach you something she needs to learn for homework. It's a great way to reinforce learning.</p>	<p>20 Have a Geography Challenge. Name a state, province or country. Who can call out the capital first?</p>	<p>21 Let your child stay up 30 minutes past his regular bedtime. The catch? He must use that time to read in bed!</p>	<p>22 Take the whole family to the library and be sure everyone checks out some books.</p>
<p>23 Sing your child's favorite song together.</p>	<p>24 Talk about the best and the worst parts of your day. Everyone gets a turn to talk.</p>	<p>25 Look over your child's homework. Give specific compliments and offer constructive criticism.</p>	<p>26 Play a game of charades with your child. Use hand gestures and motions to describe your word.</p>	<p>27 Read a story to your child and use a different voice for each character.</p>	<p>28 Tonight, take a walk with your child. See how many stars you can see.</p>	<p>29 Set aside some time to spend one-on-one with your child today.</p>
<p>30 Play board or card games as a family tonight.</p>
