make the difference!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		<b>1</b> Start a family savings jar. Everyone can decide what the goal will be and how they will contribute.	<b>2</b> Talk with your child about ways to handle stress. Exercising and talking to someone are good options.	<b>3</b> Choose a number, then have your child list all the things she can think of that come in that number.	<b>4</b> Give your child a gift certificate good for one special activity with you.	<b>5</b> Take a "counting walk" together. Pick something to count (cars, signs, flowers, birds, bikes) and keep track.
<b>6</b> Make up a secret code with your child. Use it to write notes this week.	<b>7</b> Pick a category and a letter. Ask your child to name as many items as he can that fit in that category and start with that letter.	<b>8</b> If your child could be a famous person in history, who would she be? Why?	<b>9</b> Post a new vocabulary word and its definition on the bathroom mirror. Change it every three or four days.	<b>10</b> Resist the urge to overschedule your child. Kids need "down time" to think, imagine and play.	<b>11</b> Have a music-sharing night. Share your favorite music with each other. Talk about how it makes you feel.	<b>12</b> Head to the library and ask your child to check out a book about a career he finds interesting.
<b>13</b> Put various objects on a tray. Have your child close her eyes and name as many as she can remember.	<b>14</b> Ask your child to name something he has done in his life that he is proud of.	<b>15</b> Read a textbook assignment with your child. Then ask her to tell you about it in her own words.	<b>16</b> Talk about how your family can do something for others this holiday season.	<b>17</b> Just for fun, serve a "backwards dinner." Eat dessert first.	<b>18</b> Does your child have homework to do over the weekend? Make sure he schedules time to complete it.	<b>19</b> Plan an indoor campout. Make a tent from a blanket. Eat s'mores and read stories.
<b>20</b> Enjoy some outdoor physical activity as a family today.	<b>21</b> Ask your child what she would do if she were invisible for a day.	<b>22</b> Allow a few minutes after the light is off at bedtime for a quiet conversation with your child.	<b>23</b> Ask your child if he ever had a dream that really scared him. What was it about?	<b>24</b> Learn a tongue twister. At dinner, challenge everyone to repeat it three times fast.	<b>25</b> When you read aloud, choose an exciting place to stop. Ask, "What do you think will happen next?"	<b>26</b> Make a weather chart. How much warmer was it late this afternoon than this morning?
<b>27</b> Make puppets by drawing faces on the bottom flap of a small paper bag.	<b>28</b> Watch the news with your child. Choose a "Person of the Week." Read more about that person.	<b>29</b> At bedtime tonight, tell your child a story about yourself when you were her age.	<b>30</b> Learn the sign language alphabet with your child. Use it to help him practice spelling words today.	<h1>November 2016</h1>
